Homework Club is available on Monday, Tuesday, and Thursday afternoons after school until 4:00 p.m. for all children in grades 3-6. Students stay after school and have the assistance of a teacher to work on homework. Snacks are also served. A student who makes a commitment to attend Homework Club is expected to attend on a regular basis. The school requests a written note if a parent wishes to withdraw his/her child from Homework Club. If an early dismissal of school occurs, either planned or because of bad weather (heat or snow), Homework Club will not be held.

Prompt pick-up time at 4:00 p.m. is essential for the smooth operation of Homework Club.
