

1/24/2025

Dear Rock Port R-II Family,

We are writing to make you aware of a recent cybersecurity incident involving PowerSchool, a software vendor which provides our Student Information System (SIS). Recently, PowerSchool informed our district that they experienced a cybersecurity incident involving unauthorized access to certain PowerSchool SIS customer data. At this time, they have not confirmed to us if some of the information belongs to members of our Rock Port families and educators. With PowerSchool's help, more information and resources (including credit monitoring or identity protection services if applicable) will be provided to you as it becomes available. At this time we have no further information and will provide information to you as it becomes available.

Thank you for your patience and understanding.

Sincerely,

Rock Port R-II Schools.
